

Sekhem

Are you a Reiki Practitioner looking to advance your Reiki skills?
Are you fascinated by ancient Egypt or perhaps looking to progress spiritually?
Sekhem is a powerful healing modality in its own right so why not learn more.....

What is Sekhem and where does it come from?

Sekhem is an ancient Egyptian healing system which is passed from individual to individual through an initiation / attunement process similar to Reiki.

Sekhem is connected with our own empowerment for both healing and spiritual development. Once initiated, all our healing work improves exponentially. Sekhem is considered by many to be more powerful than Reiki and it works on the five energy bodies simultaneously. This results in the avoidance of a prolonged healing crisis and is a great aid in spiritual development.

Sekhem has a close connection to the Egyptian lion-headed Goddess Sekhmet – ‘the Goddess of a thousand names’. She destroys all that is no longer of value and brings healing to the world. Many people not connected with Egypt and her archetypes experience the energies in different ways. Other powerful archetypes, saints and angels carry the same energy and manifest to the initiates. The energy comes through in the way most appropriate for each student or person receiving healing.

How does Sekhem Work?

Sekhem employs 3D symbols, which are linked to the science of the pyramids. This energy is fundamentally Unconditional Love in its pure form. The symbols include access to inter-dimensional portals. In healing sessions the practitioner will place their hands on or near to the body and pass the Sekhem energy to the recipient. Although from a very high level, it is also grounding as a bridge is formed between Heaven and Earth. The experience is inspirational, healing and sometimes profoundly spiritual.

Some of the benefits of Sekhem are:

- **Assists us in manifesting our goals and healing our bodies**
- **Increases our psychic powers and abilities to see energy**
- **Increases our feeling of aliveness by bringing us more fully into the present.**
- **Increases awareness of who we are and about our relationships.**
- **Accelerates the infinite process of spiritual development and enlightenment.**

Payment of balance of course fees:** Please note that, due to the excessively onerous administrative costs involved, we are not able to issue payment reminders and the balance due on all course bookings must be paid to us no later than 30 days prior to the commencement of training. If this is not done then we reserve the right to cancel your booking and make cancellation charges in accordance with our standard terms. The relevant deposit or full balance is payable to secure your place on a course. The balance is then due no later than 30 days prior to commencement of the course. You can choose to spread the cost of the programme and pay by affordable monthly instalments upon completion of an Easy Payment Plan form submitted with your booking. If you are paying by credit/debit card, and you have not advised us otherwise in writing by RECORDED DELIVERY, the balance due will, at the appropriate time, be charged automatically to your card. **4. To Change Your Booking:** If you want to change any part of your training arrangements after the invoice has been issued, we will do our best to make the change, but it may not always be possible. Any request for changes must be made by the person who made the original booking and should be in writing by RECORDED DELIVERY to our administrative offices at West Midlands House, WV13 2HA. If it is possible to make the change, it will be subject to an administration charge of £30, and payment of any further costs incurred as a result of the change - for example, the additional premium payable for transfer to a more expensive course. If it is not possible for us to make changes for whatever reason, you have the choice of proceeding with the training as originally booked, or of cancelling and paying cancellation charges in accordance with the scale shown below. If any change can be made, you must check whether it will invalidate any insurance cover which has been accepted by you, in which case it may be necessary to take out alternative, additional or new cover depending on the circumstances. Please note that it will not be possible to make changes within 30 days of your scheduled training commencement date. **5. To Cancel Your Booking Prior to Commencement of Course:** Should you wish to cancel your training, you should notify us directly in writing by RECORDED DELIVERY as soon as possible. The scale of cancellation charges detailed is calculated according to the number of days prior to commencement of training that written notice of cancellation is received by us: Prior to Departure Date; More than 90 days - Deposit only, 31-89 days - 75% of final invoice, 15-30 days - 90% of final invoice, 1-14 days and date of training or later - 100% of final invoice. You understand and agree that these charges represent a reasonable attempt by the parties to calculate and agree the costs associated with cancellation of a booking. **6. Withdrawal from training courses, which have already commenced:** If you need to withdraw from the course for whatever reason once the course programme has commenced, then payment for sessions yet to be attended are not subject to refund of any kind. Where a 'pay-as-you-go' payment scheme is in operation, payment for future sessions of a tutor-led course will still be required, in accordance with the signed agreement between the student and school. **7. Cancellation of Training Courses by Us.** Training courses are based on an economic minimum number of students (usually but not always 8 delegates). Should this not be reached, we reserve the right to cancel the training course. In such circumstances, we will refund to you all monies paid to us in full. In these circumstances we would not be liable to pay you any additional compensation. **8. Your rights following cancellation by us:** In the circumstances of cancellation of a training course by us, we will offer you the choice of an alternative course of equivalent quality (if available) or a training course of lower quality value if you require it (if available). In those cases we will refund to you the difference in price between the original booking and the training course of lower value; or we will make you a prompt refund of any monies paid by you to us under the original booking. In the unlikely event that it is necessary for us to cancel or significantly alter a training course in other circumstances, we will in no circumstances be liable to pay you any compensation. **9. Changes to the Scheduled Programme:** The training courses scheduled on our website and in our promotional literature are planned many months in advance and sometimes changes may be necessary. Although we would normally expect to be able to provide you with the services confirmed by us in respect of your original booking, occasionally this will not be possible. The arrangements featured on our website and in our literature are by their very nature complex with services involved from many different tutors, accreditation and examination bodies etc. Due to potential changes in syllabus criteria, tutor personal and professional circumstances and other issues over which we have no control, it is not always possible to guarantee aspects such as particular tutor attendance. Tutor or other aspects of course information are stated to you for guidance only. Final details will be shown on your final Joining Instructions, sent approximately two weeks prior to training course commencement. We reserve the right to make changes. We will make every effort to provide as much advance notification as possible but we feel it is only fair to warn you of possible variations which, although rare, can occur every once in a while. **10. Special Requests:** Any special request or requirement which is essential to your booking (such as specific dietary requirements, wheelchair assistance or special facilities for certain medical conditions) must be made known to us in writing by RECORDED DELIVERY before you book. We will contact our tutors and other sub contractors /suppliers and the request will only become a term of your contract with us if we confirm in writing that the request can be met and your booking proceeds on that basis. We are also happy to pass on any other reasonable requests that you may have such as desired location of training rooms or other requirements as to meals, (where these form part of the course package), but they cannot be guaranteed and will not form part of our contract. No compensation will be payable if such requests are not fulfilled. None of these terms and conditions affect your statutory rights. Special requests such as larger font notes in course handouts and examination papers or printing of notes on a specific colour of paper will be met but, again, we ask that you make us aware of such requests at least 30 days prior to the commencement of your training course. **11. What the price includes or does not include:** Unless otherwise stated in course literature, brochures and website listings, training course costs cover venue, (where appropriate) tuition fees, course notes and refreshments (tea, coffee, biscuits and mineral water). The cost does not cover your travel expenses, any accommodation expenses and food. **12. Complaints:** In the unlikely event that you need to complain about any aspect of the training which you have received from Clear Intentions, you must notify Debra G Goldston, School Principal in writing by RECORDED DELIVERY within 48 hours of the activity giving rise to the complaint having occurred. Debra should be contacted at the following address: Clear Intentions, West Midlands House, Gipsy Lane, Willenhall, WV13 2HA. Retrospective complaints are noted through the evaluation procedure and will not be considered as reason for refunds. **13. Student Conduct:** We reserve the right to ask you to leave the course in the event of any upheld reason (See Grievance Procedure and Code of Conduct). In that event monies for future lessons will not be refunded. **14. Your obligations in respect of your training with us:** You are responsible for your own health and well being throughout the course. If you have experienced/are experiencing any of the following, please let the coordinator know in writing before the course commences (any information will be held in the strictest of confidence): i) Epilepsy/Diabetes/Asthma/High or Low Blood Pressure. ii) Any medical problems of an acute or chronic nature iii) Any emotional or mental trauma that has resulted in your seeking medical advice or treatment. iv) Suffered from any drug (prescribed or otherwise), alcohol or substance abuse. In the event that any of the above conditions manifest after commencement of your course, you are required to notify us in writing by RECORDED DELIVERY within 48 hours of your becoming aware of these facts. Importance notice: Insurance cover is available to protect students in the event of illness, personal injury or death during an on going training course. We strongly recommend that you take out such cover. The Clear Intentions Block Insurance Scheme with Balens is available for students of Clear Intentions. In view of the availability of cover, we are unable to consider health issues as a reason to refund course fees whatsoever. You are responsible for the safety of your personal belongings and Clear Intentions does not accept any liability for loss, how so ever caused. **15. Brochure Descriptions & Prices:** Unfortunately, it is inevitable that some of the prices and details contained within our brochures may have changed since the brochures were printed. We must reserve the right to make such changes. You will be informed about any changes to any of the relevant details within our promotional literature when you book and before you enter into a contract with us as part of our commitment to quality customer service. We reserve the right to change any of the services or facilities or prices described in the promotional literature at any time before a contract is made between us. If there is any change we will tell you before you enter into a contract. **16. Data Protection Policy:** We take full responsibility for ensuring that proper security measures are in place to protect the information you provide us in order to process your booking. We must pass this information on to the relevant suppliers of your training arrangements such as tutors and awarding / examination bodies.
