Sunday 18th & Monday 19th January 2009

with Liz Manison

Tarot reader, Liz Manison, is available for private one-to-one readings at Clear Intentions on Sunday 18th and Monday 19th January 2009.

If you have a question in mind or simply feel the time is right, a tarot reading can help provide guidance and enable a broader perspective of what is happening and why.

Liz reads as a holistic tarot reader, which means that the cards relate to you as a whole person and pick up on the complexity of your query and situation. The aim of the reading is to empower you to seek your truth, and a typical reading will look not just at specific queries, but also at the broader context of your life at this moment in time.

One hour sessions at £35.00 each.

If you can't make it on the day, it is possible to arrange a reading via the telephone once a mutually convenient date has been arranged.
